#### Payneham Road UC Tonga Tsunami Appeal

We have all seen the pictures of the devastation in Tonga as the result of the volcanic eruption and tsunami. Our love and prayers are with the people of Tonga as they recover and try to rebuild their lives.

Villages, even like the one that Tangi lives in, which is inland, are covered in soot and ash. The local people are now unable to sell their produce at the local markets. They now have no way to make any money. This means there is no money to pay for the children to go to school.

If we could send money to pay for some children to go to school, that would be wonderful. She suggested that Scholarships could be set up in the name of Payneham Road Uniting Church. It costs about \$300 to \$400 a year for a child to go to school.

This needs to be done properly and with help this can be arranged.

If you would like to help...

- Put your donation in an envelope very Clearly marked: TONGA.
